Alternative Giving Market

at Christ Church Cathedral

The Alternative Giving Market provides an opportunity to give to 13 non-profit, charitable agencies working to improve the lives of people in our community who are in need. Most of the agencies listed in this brochure are small with limited fundraising capabilities, so even small gifts will help. The full amount of gifts will go to the designated agencies (100%), and all gifts are tax-deductible to the full extent allowed by law.

Giving through the Alternative Giving Market expresses the true meaning of Christmas. It allows us to replace traditional commercial gift-giving with presents that have a real significance.

To help choose appropriate gift amounts, the shopping list shows several suggestions for each agency. However, any amount you give will be appreciated. (All gifts are unrestricted donations to the agencies. The suggestions are examples of how the agencies could use them.)

We urge you to invite young people to experience the blessing of giving. Learning to give, not just to receive, at an early age can set a pattern for a lifetime. To that end, we have included a \$1 donation level for giving to most agencies.

You may make gifts through the Alternative Giving Market online anytime, by mail anytime, and in person in Reynolds Hall on Sunday, November 12, when representatives from the organizations will be available to answer your questions. Gift cards to send to the persons you want to honor by your gifts will be available.

Please join us and make the Alternative Giving Market a special part of Christmas preparations.
